Hey Troy Boy, Hi!

This year has gone by so fast. I can't believe it's almost over. I can't imagine you ready to graduate next year. I remember when I used to always stay the night with Jenny. We didn't get along at all. Now I think it's the other way around. I don't get along with Jenny very well anymore, but we get along pretty good. I guess people change alot. as they grow up. We had some good times when we were working togetherat you know where. You're a really nice guy, stay that way,

Love Ya,

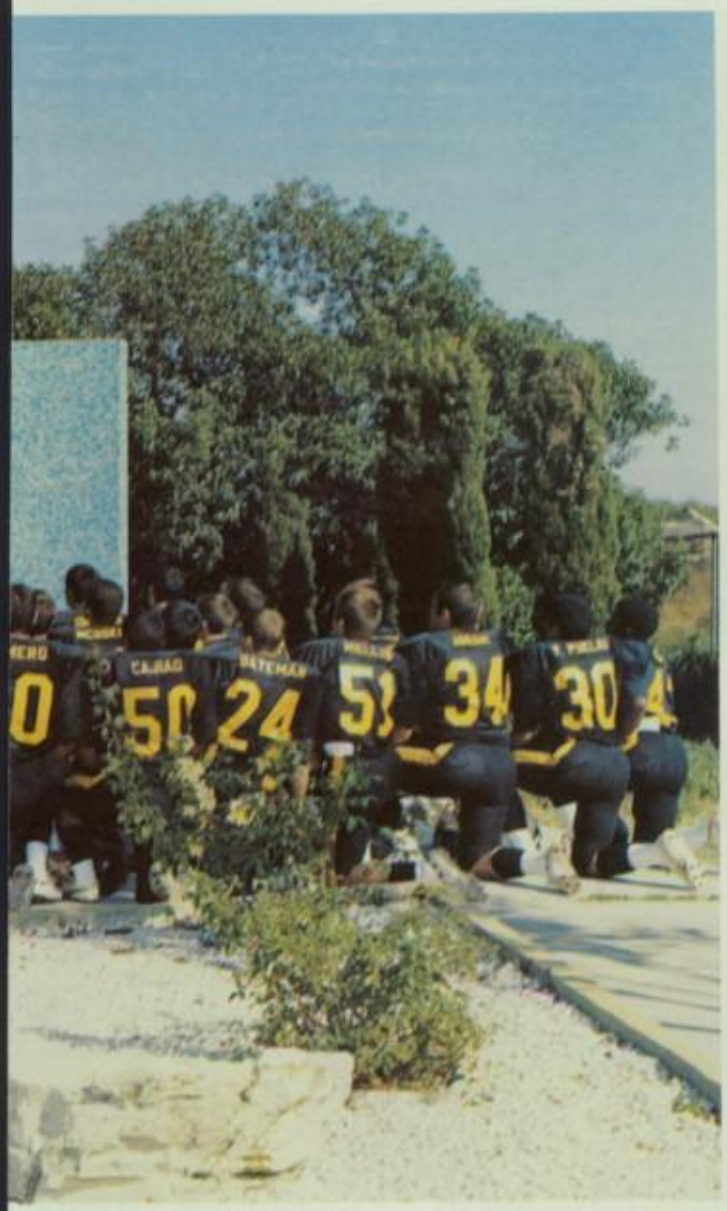
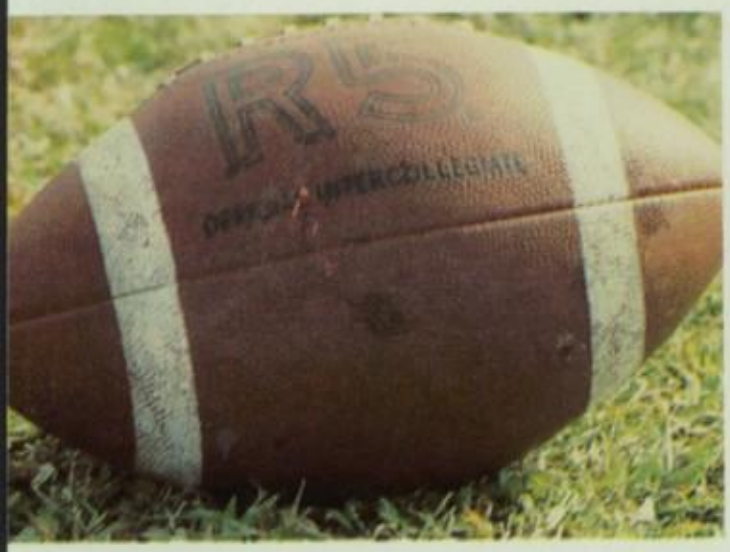
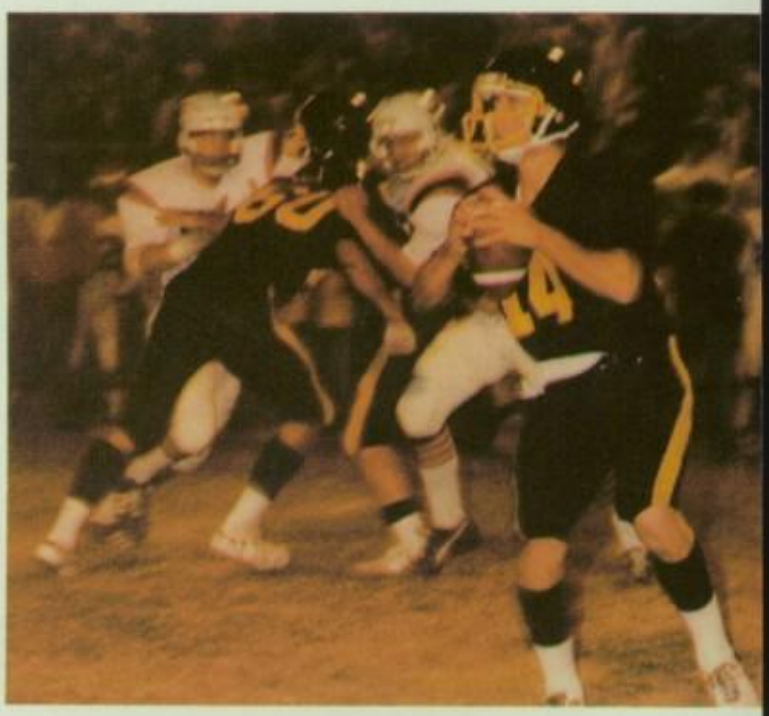
Knights





The Knights Experienced That Special Knight

1. Homecoming Queen **Theresa Trevino** stands between two of her favorites, **Tom Hardesty** and **Father Kidney.**
2. The junior float was the winner of the float contest, which showed the class of '81 has talent.
3. **Jim Miller,** Quarterback, scrambles to the left looking down for an open Knight.



The Homecoming pep rally was the climax of the spirit week. During this each class showed their spirit by wearing their class colors, decorating the school, and having a fund raiser during lunch time. The newcomers, the freshmen, did very well in showing their spirit, along with the three upper classes as well. The spirit contest points were close at the beginning of the pep rally with the junior class in the lead. During the pep rally each class showed their spirit. The senior class, having shown the most spirit was awarded the spirit trophy by **Fr. Loomis** and the ASB officers. This was the first time the senior class had won the trophy and they were estatic. There was also an award given to the junior class officers for their good leadership of their class throughout the week. Just minutes prior to this, **Coach Norton** explained that the only good Swordsmen is a . . . His feelings expressed those of the whole student body as they yelled and cheered. The princesses of the Homecoming court were announced as everyone held their breath.

As the time passed and darkness fell upon us, it was time once again for the traditional Homecoming game. The special game was kicked off by the spectacular Homecoming parade. The color guards, the drill team, the four class floats, and the lovely princesses in the old fashioned cars, cleared the cleared the track for the knights to enter onto the field.

Halftime ceremonies conducted by our Homecoming Chairman **Pat Klein,** included the announcement of the winner of the float contest. The junior class took the trophy with ease. Their victorious entry of "That Golden Knight" was displayed by a rainbow and a pot of gold, two lephechauns, and a golden knight, was admired and loved by all. Another halftime activity was the breath-taking moment of the coronation of a new Homecoming queen. Last year's Homecoming queen **Jane Aki,** graciously gave up her crown to a deserving **Theresa Trevino.** Theresa was very happy and was congratulated by the other four princesses and friends who were also happy for her.

St. Paul did manage to walk away with the game, the final score being 7-13, but they certainly didn't lower our spirit, enthusiasm, or morale, which was evident throughout the season.

That Special Night At The Sheraton

1979 Homecoming ended with a semi-formal dinner-dance at the Sheraton-Newport Hotel. All attended with their sweetheart or favorite friend. 'That Special Knight' was accompanied by the band, Organized Crime, which played some really up-beat disco tunes to which everyone rocked, including teachers. Toward the end came the queen's dance with **Theresa Trevino** and **Tom Hardesty,** which got everyone in a very romantic mood. The dance ended with a cheery round of M-I-C—see ya real soon—K-E-Y—why? because we like you-by the band, which summed up the general feeling of the dance.

Cheerleaders, Songleaders: We Want You As A Knight Too.

This year's new cheer has been Superman, Machoman, show your power in the stand ... It has been a very popular cheer that sparked alot of spirit and enthusiasm. The Cheerleaders and Songleaders learned this cheer and alot of other cheers at camp at San Bernadino this summer. They boosted the morale of the crowd at such events as pep rallies, football, and basketball games. They gave an impressive performance on the Freshmen, Sophomores, Junior, and Senior Orientation days.

The Varsity Cheerleaders and Songleaders can be found not only at games or after school at practice, but they can be found busy doing such things as serving the football players punch during Hell Week, or making boxes of cookies and candy for the football players.

Perfection was their goal as the cheer and song leaders practised long hard hours in preparation for competition. Their time and dedication payed off as their performances got better and better.

1. The 1979-80 Cheerleaders: **Janetta Prestinenzi, Rita Williams, Joyce Morelos, Eileen Schindler, Connie Tamburri, Patty Corso, Kathy Benedetti, Jeanette Flannery, Jean Marie Helstowski, Kathy Doherty, Ann Kustic, Lisa Arico, Nena Contrares, Cathie Covington,** and **Margaret Branney.**

Who's that cheering at the girl's basketball and volleyball games? It's none other than **Carla Long, Erin Gartland, Vicky Leach,** and **Tracy Wagner.** They helped bring the Knights many victories over the opposition.

The Junior Varsity Cheerleaders, **Barbi Shelter, Tina Dove, Meg Butier, Trish Petty, Judi Frochlich,** and **Frannie Ponsford,** showed their enthusiasm as they cheered the Sophomores on to victory.

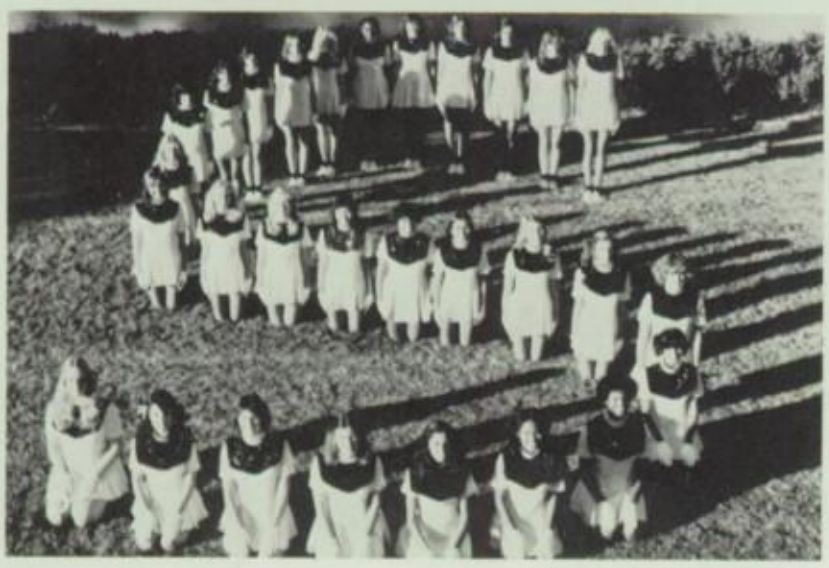
Although they are new on campus, the Freshmen cheerleaders, **Alice Cardona, Lauren Donovan, Cristina Lechuga, Laura Mostero,** and **Elizabeth Ortega,** showed alot of spirit and excitement during the football games and pep rallies.

Pep Rallies-Knight Time

The best thing about pep rallies wasn't the shortened classes, it was the atmosphere. After sixth period the students felt free to get wild and crazy. The pep rallies consisted of skits and performances by the cheerleaders and songs. Contests were a hot item this year as some of the schools best looking guys strutted across the gym floor flaunting their "hot legs". **Mike Balderas** won the title because of his originality though many thought **Mike Fish** had the best legs. The pep rallies proved to be a great asset to the athlete's confidence.

1 **Greg Gomez** prepares the outside of the gym for the pep rally.
2. **Rene Brigden, Pete Steffenelli, Jolene Gregory, Kathy Trujillo, Pat Mancuso,** and the great **Kim Hix** entertain the entire school with their protrayal of the North High cheerleaders.
3. Freshmen show their spirit Woodstock as their mascot.
4. Sophomores get lazy at Knight Time.
5. **Jerry Desert, Bo Kelly, Greg Gomez, Mike Fish, Pat Mancuso,** and **Martin Von Kanel** show their stuff.

SOUTH BAYS FINEST:



The 1979-1980 Knightettes, under the leadership of their moderator, **Ms. Chris Collette,** have had a very successful year. The Drill Team worked hard all summer for their halftime performances at this season's football games.

The Drill Team was directed by Colonel **Carrol Simmons,** (Senior), First Captain **Myra Garin,** (Senior) and Second Captain **Mary Hansen,** (Junior). The tall flags were lead by **Trish** and **Mary Sapien,** both Juniors. The leaders for the short flags were **Noreen Garin,** (Junior), and **Lisa Walski,** (Senior). This year we had only one batin twirler, **Darcy Stolz,** (Freshmen), but her talent was enough for an entire team.

The drill team, along with the short flags appeared at the East Los Angeles College, giving a spectular halftime performance. During November, a competition was held at Arroyo High School, which brought the precision team a respectable fourth place title. Although both the tall and short flag teams consisted of new members, they did well at the competition. Disneyland hosted a competition from November 22nd to the 25th. The Knightettes thoroughly enjoyed marching in the Main Street Parade for the first time. The Knightettes competed in the competition and the were outstanding. The precision and parade teams both took first place in their categories. The short flag team also did well by taking second place. **Carrol Simmons,** the Colonel, entered in the queen competition and was selected eighth in the court of girls from several different states.

The Knightettes also competed at the West High and Miss Drill Team U.S.A. competitions, later in the year. Dazzeling smiles could be seen from the Knightettes while performing at the competions. They did extremely well at both performances. The Extravaganza, a show put on by the Knightettes, doing various different routenes was enjoyed by all. Bishop can be very proud of the fantastic halftime performances and the support the drill team has brought to the school.

STUDENT'S GET WILD & CRAZY

Our pep rallies here at Bishop Montgomery are really something to talk about. People spend the entire day getting physically and emotionally ready for them. They wait for the special moment, the beginning of the pep rally to let their emotions go, and do they let them go!!!

Deafening screams and outrageous stunts make up the setting of the pep rallies. They lend enormous support to the teams and allow the whole school to get involved in a little fun.

Some of the outrageous stunts included our very own North High cheerleaders. They portrayed the actual ones to perfection! Another well liked skit was the "Best Legs Contest". The contest was won by the one and only **Mike Balderas. Mike** showed what grace and style is all about. All of these activities helped to create an energetic setting at each pep rally. Support of the pep rallies by the students helped make them such a success.

1. The one and only, **Pat Mancuso** as he strolls out at a pep rally to show off his legs!
2. The senior guys, **Mike Balderas, Victor Castro, Gerry Dessert, Bo Kelly, Greg Gomez,** and **Mike Fish,** compete to show who has the cutiest legs.
3. **Sally Nagy** and **Alfonso Reyes** cheer the seniors on to victory.
4. Seniors show their spirit at the first pep rally.
5. At a Homecoming pep rally, students show their loyalty to B.M.H.S.

9. **Jerry Stevens'** banner displays his idea of spirit.
10. The Juniors' decorating is a work of art.

Spirit week was a wonderful success as always. The entire school's spirit was apparent in every activity they participated in. The Juniors won the float contest with their excellent float, "That Golden Knight". It was a well deserved trophy for the Junior Class who can definitely pride themselves on being hardworking and spirited.

Spirit week began with the Freshmen and Sophomore color day. Freshmen colors were black and powder blue, worn by all spirited Freshmen. The day's activities were a sponge toss by the Freshmen and an egg toss by the Sophomore's. Sophomore's also wore their class colors which were brown and gold. The theme of the Freshmen float was "Tonite's the Night" and the Sophomore's theme was "Mommy told me there'd be nights like this." and she was right!

Junior class day brought out the best in the Juniors. Brown and gold could be seen throughout the school. Their class activity was musical chairs which everyone enjoyed.

Red and White! Yes, the Seniors stole the show as always. Toilet paper galore! A bunch of kids never had so much fun! Their activity for the day was a "sweet walk," similar to musical chairs, but much more delicious. The theme for the Senior class was "A Night on the Town."

LETTERGIRLS

It's said that there is strength in numbers, the lettergirls of 1979-1980 proved this to be true. The lettergirls represent various sports such as volleyball, basketball, soccer, cross country, track, softball, and drill team. Each member must has participated in one year of a varsity sport or two years of a junior varsity sport.

The lettergirls are kept very busy during the year by serving at the Boy's Sports Banquets, Father Daughter Night, selling popcorn at football games, sponsoring girls' basketball tournaments, working at the snack bar during sports events.

The major goals of the lettergirls are to create unity, spirit, and organization among the girls' athletic program at Bishop Montgomery High School.

The lettergirls club could have never been such a success without their dedicated officers. **Patty Gindro,** played an important role in leadership. She was the president of the club and performed her duties well. Other officers included, Vice-President, **Kathy Trujillo,** (Senior) Treasure **Theresa Trevino,** (Senior) Secretary **Jolene Gregory,** (Senior) Publicity **Patty Froelich** (Senior) Underclassman Representative **Patty Aki** (Sophomore) Coordinating the events of the year was their moderator, **Ms. Collette.**

SHOW CLASS

LETTERMEN BRING PRIDE TO MONTGOMERY

Montgomery's men athletes were lead this year by their president, the one and only- **John Mellis (Senior). John,** along with the other officers, **Kevin Bateman,** (Senior) Vice-President, **Tom Baaden,** (Senior) Secretary, and **Eric Glassman,** (Junior) Finance Committee Chairman, helped bring leadership qualities to the lettermen club.

One of the major goals and aspirations of the lettermen club this year was to raise money by putting on a dance and a bake sale, to buy a new victory bell. This is a great achievement that will be remembered for years to come.

The Lettermen were busy this year helping as ushers at the "Rock The World" concert and putting on the intermural basketball games. This year could have never passed without mentioning the support given by the lettermen at the basketball games. A lot of spirit and enthusiasm could be heard from the left side of the homeside bleachers. They helped cheer the team on to victory by performing the ever famous **B.M.H.S.** cheer.

The 1979-80 ASB officers came into office this year with a lot of enthusiasm and new ideas. Some major goals set by the officers were to promote and help organize school activities, and provide a student service center thru the activities office. Under the direction of their new moderator, **Fr. Richard Loomis,** the ASB officers, and twenty-four class officers worked together producing an efficient and well run student government.

In preparation for the upcoming year, a workshop took place during the summer. Unique and creative ideas were developed and various activities were in the planning process. This workshop proved to be beneficial numerous times during the year.

The year can well be remembered by the outstanding accomplishments of ASB President, **Tim Mc Osker** and his officers. Many devoted hours were spent before and after school in preparation for various activities. One major event that was a box office sell out, was the "Rock the World" concert. This proved to be another successful event that was enjoyed by all as they listened to the perfect impersenations of the Beach Boys, the Rolling Stones, and the Beattles.

A new tradition was introduced last year by ASB, intermural basketball. This year, intermurals offered not only an opportunity for male athletes to compete, but also female athletes. We hope the outstanding participation will continue in the years to come.

Such events as Welcome Frosh Dance, Spirit Week, and Homecoming, showed the efforts and dedication of hard working ASB and student council members. The Homecoming festivities were done in an expert manner and our appreciation goes to **Tim Mc Osker,** Chairman **Pat Klein,** and his assistant **Annette Strickland.** With the combined efforts of President **Tim Mc Osker** and Vice President **Eric Glassman,** the pep rallies were lead with a lot of spirit and unity that showed the true spirit of the Bishop Montgomery Family.

An important accomplishment was made this year by ASB. A newly made constitution was adopted. This will surely benefit the future leaders of the Bishop Montgomery. Keeping students well informed through the new marquis and bullitin boards was also an achievement in establishing good communication with the students. Through the combined efforts of the administration, student council, and the student body, the year of 1979-80 proved to be a very successful one.

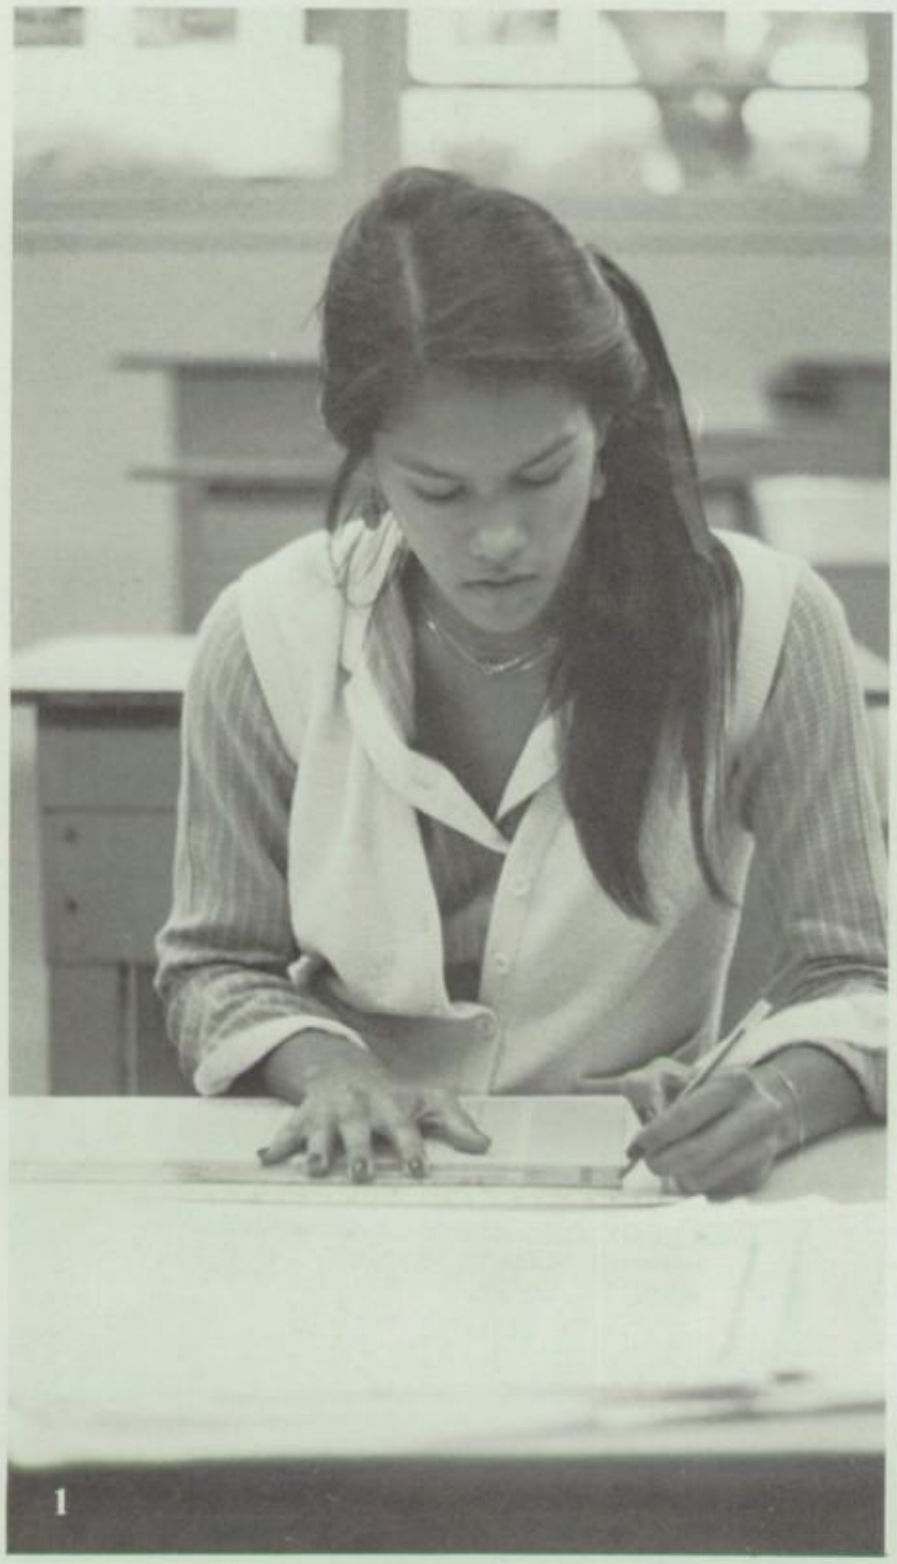
The Staff That Made It!



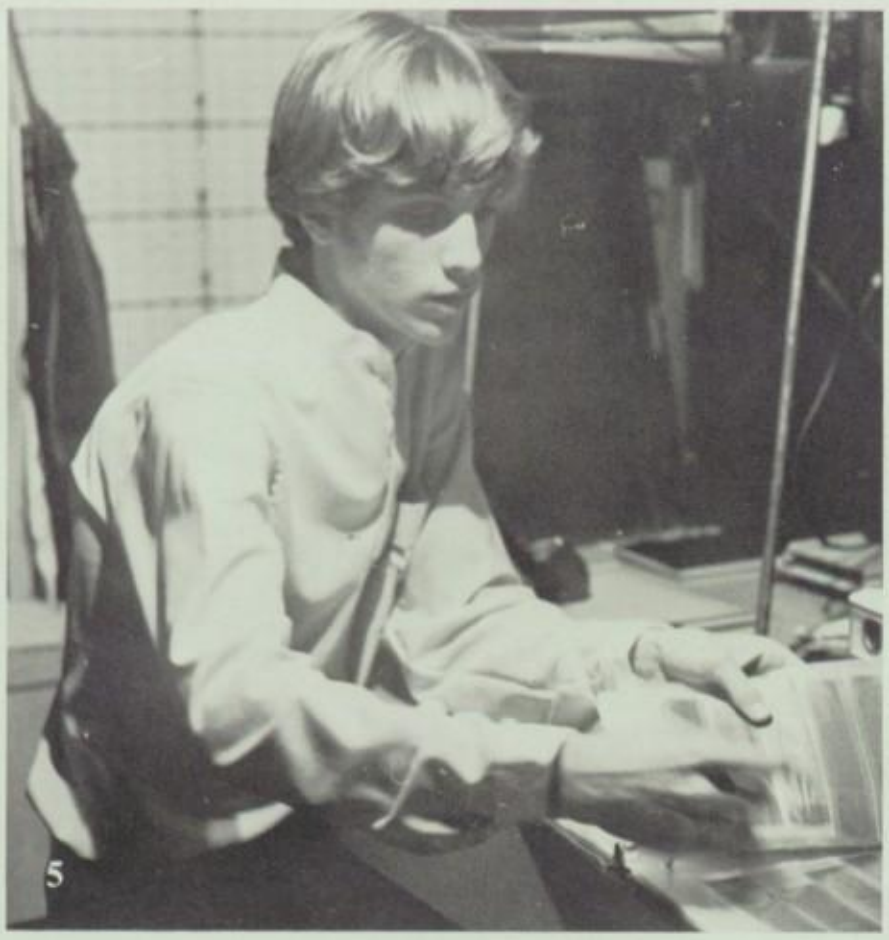
1

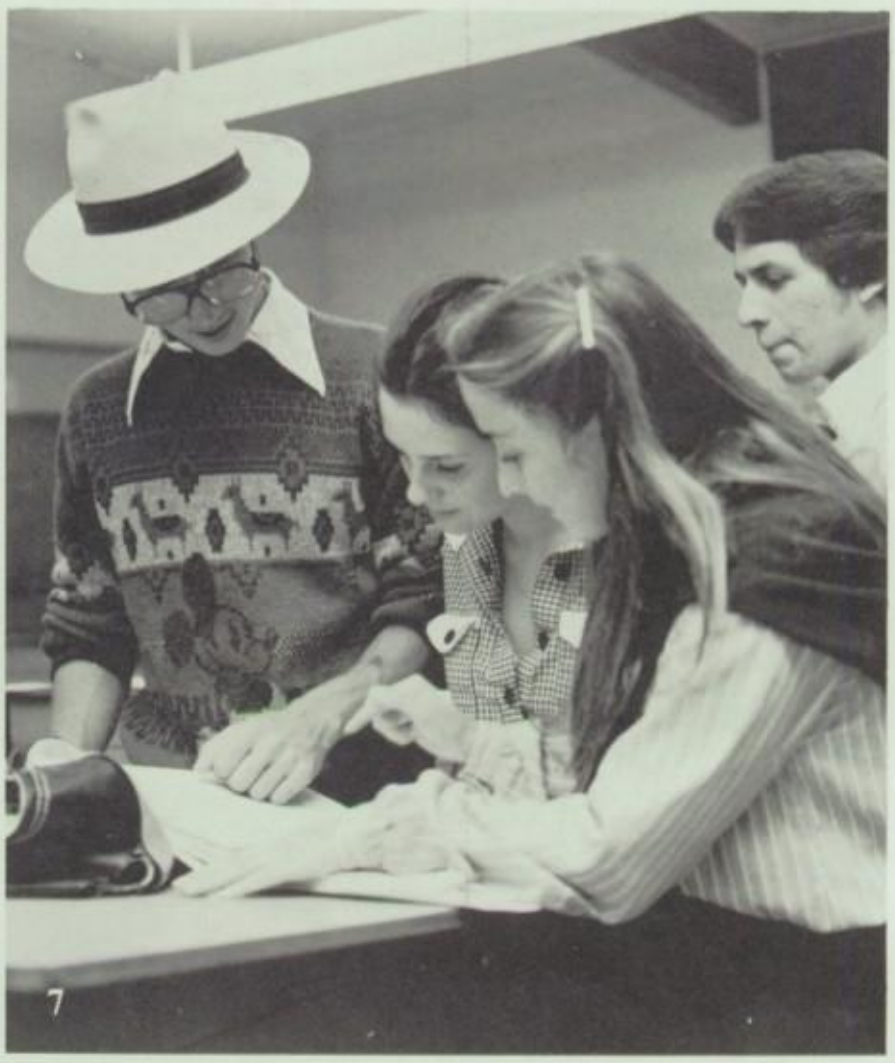
2

The 1980 YEARBOOK, a recognized classic even before publication, was created by a dedicated staff of hard-working Knights, led by their moderator, **Mr. Dan Martinez.** The staffers worked their fingers to the bone, often by moonlight, to turn out a masterpiece, a book to end all yearbooks. They succeeded! The 1980 book will be passed from generation to generation, through-out the ages.

The staff worked very hard on this year's edition. Some people made very notable contributions, especially the editors in chief, **Karen Moschel** and **Cathy Bednorz,** the student editor **Terri Andrade,** the activities editor **Diane Wratschko,** and the photography specialists; **Dana Hursey, Mike Richardson,** and **Andrea Favilli.**

The road to a finished yearbook was filled with potholes, but the problems were all overcome. A lot of hard work, late hours, headaches, stomach aches, and heartaches went into the yearbook, 1980. The staff is very proud of it, and they sincerely hope you enjoy it!

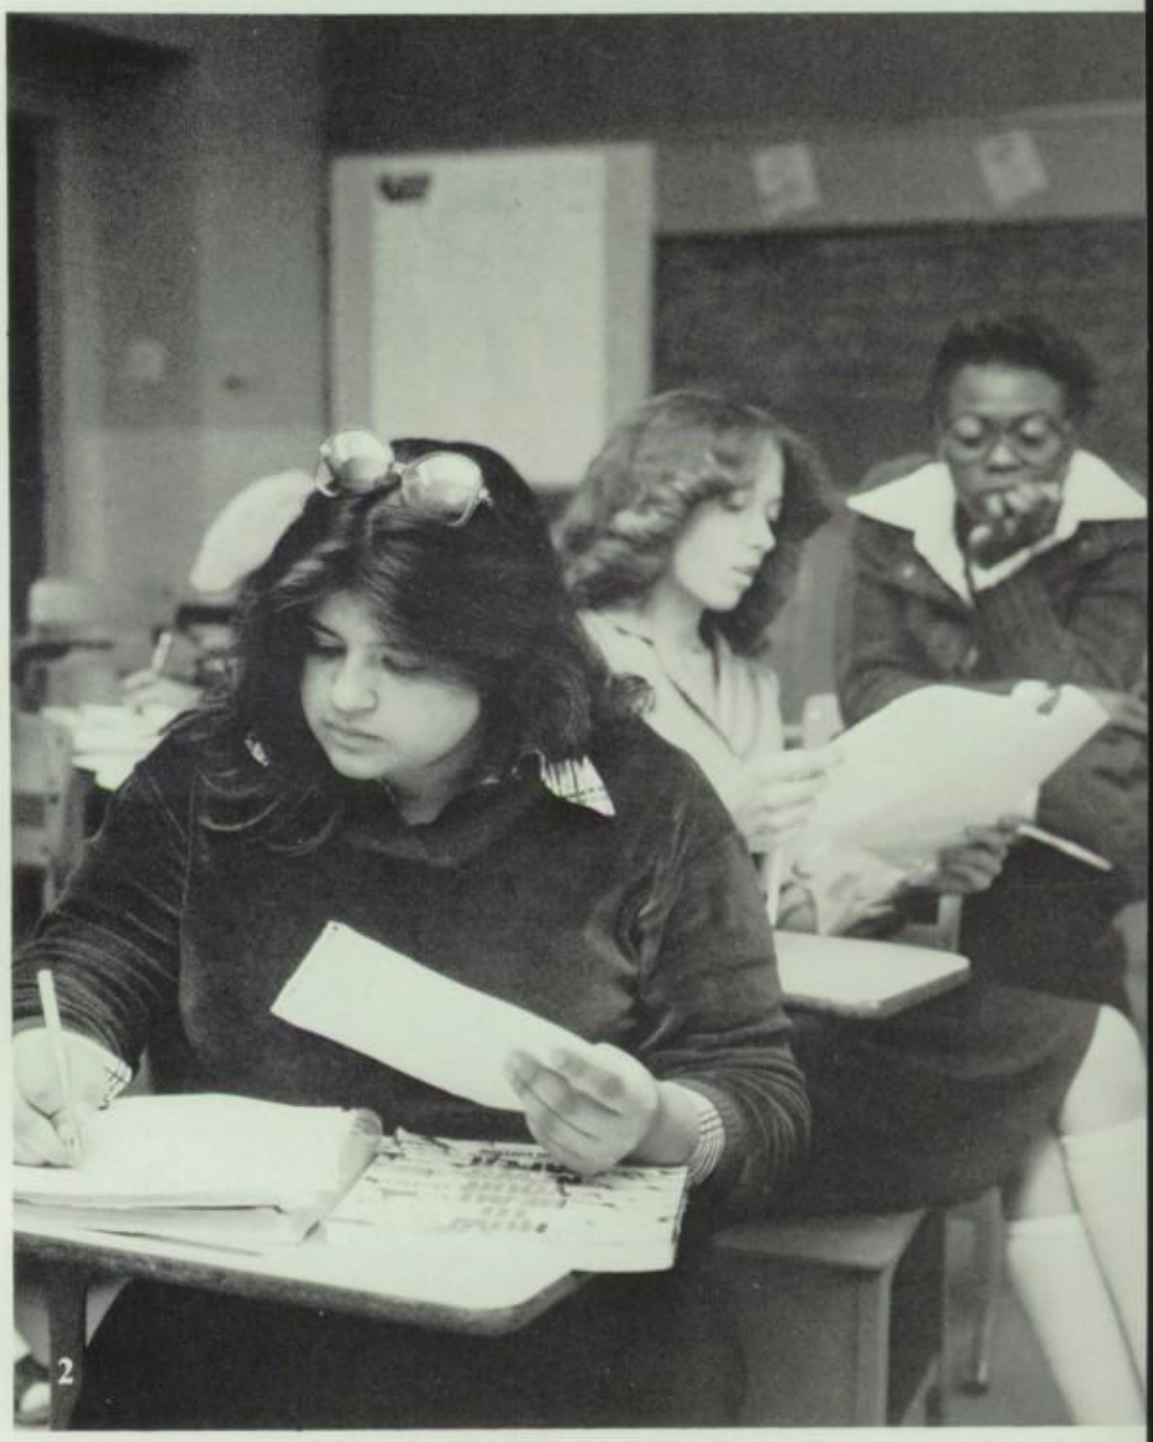




1. Cathy Bednorz shows how experience and dedication pays off in the end.
2. Our Editor, **Karen Moschel.**
3. Karen Moschel, Tina Scanlin, and **Karen Short,** discuss a layout with moderator **Mr. Dan Martinez,** who seems to disagree.
4. Sergio Lozano shows the placement of pictures to **Cindy Mayer** on an advertisement layout.
5. Dana Hursey shuffles thru the negative files.
6. The YEARBOOK STAFF always takes time out to flash a smile.
7. Examining old yearbooks gives new ideas to yearbook staff.
8. Mike Richardson studies and takes care of his handy work.

Every month, a fresh new copy of "KNIGHT LIFE", the school newspaper, is delivered to your homeroom. This takes a lot of effort from the newspaper staff, and they deserve a lot of credit. It is quite an achievement to produce a newspaper with limited time and equipment. The staff has managed this and the results have been good. The staff who was guided by **Mrs. Susan Egan,** welded the group into a smooth working unit. The student editor, **Beth Ennis,** also deserves a lot of credit, for her dedication and work. The student body will agree that this year's paper is much more improved than the last years.

The staff provides extensive coverage of sports, school time, extra-curricular activities, a rock column, and a letter to the editor's column. They also have tackled many controversial subjects with their well-written editorials. A new feature this year was the advertising page, headed by **Erika Von Rathjen.** The 1979-80 Knight life newspaper was a complete success.



We Love The Knight Life Baby!

STARS FALL FROM HEAVEN

Heaven could wait for Joe Pendleton, but Bishop Montgomery couldn't wait for the fall play. The comedy presentation of "Heaven Can Wait" proved to be a success by the crowds that filled Thomas Moore Hall.

October first was the day the crew and cast began working and preparing for opening night. They had two months before the curtain opened. Sets had to be built, actors had to learn lines, costumes had to be made! This was no time to relax!

The leading roles were played by, **David Sweet, Sherri Webb, Lawrence Sincich, Eugene Ireland, Kathleen Ryan, Christian Matthies,** and **Cindy Underwood**.

The only experienced actor was **Eugene Ireland**, who displayed his talents very well. However, **Lawrence Sincich** and **Sherri Webb** deserve recognition for their acting ability. **Kathy Ryan** convinced the audience to despise her. Everyone liked the lovable, yet vulnerable chacter portrayed by **Cindy Underwood**.

All the credit however, does not go to the actors and actresses. The make-up and crop crew can not be forgotten. They spent many hours hard and never got to be in the spot light. Also **Mrs. Fernandez** deserves a round of applause for her time, effort, and understanding which went into the presentation in order to make it a success.

JUNIORS & SENIORS BATTLE FOR VICTORY.

The Seniors and Junior girls were preparing for the traditional and highly emotional Powder Puff Game. This year however, there was to be a change. The Senior class, being in charge of the game decided to use their creativity and hold the game at night. With the approval of the Faculty and Administration, the game was set for November 20, 1979.

The Senior girls, who were ready and anxious to play, were coached by **Jim Andrade** and **Steve Paul.** The girls who came to early Saturday morning practices, were determined to defend their title. They had high hopes of being the first class in Bishop Montgomery's history to have won the Powder Puff Game two years in a row.

The Junior girls, who had never participated in the Powder Puff Game, gathered as a team for the first time. Their coaches, **Mr. Brown, Mr. Walker,** and **Mr. Martinez,** showed them the fundamentals of football. The coaches observed a lot of hidden talent and had high hopes for the game.

The date of November twentieth came at last. The Senior and Junior girls participating in the game wore shirts and ties of their class colors to show their spirit. All players were ready and anticipated the game. At the shot of the gun the game began. During the first quarter the game remained scoreless. At the half time the score was 6-0, the Seniors favor. The touch down, made by **LuLu Fernandez** was made just as the gun sounded the end of the second quarter. The halftime performances were made by the supportive Senior and Junior guy cheerleaders. At this time the Powder Puff King was announced. **John Mellis** was the honored King for the year of 1979.

The kick off of the second half brought about a very competitive effort by both teams. Each team played to their fullest capacity. The Juniors, opened the scoring with a long bomb for a touchdown to **Cathy Browning.** The score was now tied, 6-6. Both teams struggled for the lead, with the Juniors scoring in the final moments of the game. The game ended with the score 12-6. This was one of the best games played in the Powder Puff history at B. M. H. S. The outstanding players of the Senior team were **Sharon Medina, LuLu Fernandez, Paula Stacek,** and **Karen** (the crush) **Moschel.** The outstanding players of the Junior teams were **Carrie Brown, Patty Shelter,** and **Jocelyn Hillard.** This game was exciting as it was successful.

KNIGHTS BOOGIE IN THE BARNYARD

As students started filing into the gym for this year's Sadie Hawkins' dance, it was evident it would be one of the best. A majority of the couples were being hitched while others danced to the music of Mizzouri Foxx.

The dress of the students from jeans to skirts to suspenders, and were worn by both boys and girls. All in all, it was an enjoyable evening for all who participated.

Some of the tunes that got everyone to boogie in the barnyard were "My Sharona" by the Knack and a "Train kept a-rollin' all Night Long" by Aerosmith. Mizzouri Foxx ended with a spectacular "glow in the dark" drum solo. All had a good time!

Individual players were selected for special awards for their excellent performances throughout the season. The coaches were also presented with gifts by team members to show their deep appreciation and gratitude.

This banquet is one last way in which BMHS can truly honor its athletes and thank them for all of the enjoyment that they have brought to our school.

When sweethearts meet, music plays.
When sweethearts meet, their hearts are gay.
For life is sweet, true love is rare,
And time is fleet beyond compare.

When sweethearts meet, across their path,
Moonbeams spread a silvery bath.
The stars overhead light love's way,
For life is complete, a holiday——
When sweethearts meet.

1979 - 1980 BAND

This year, the Bishop Montgomery family enjoyed the performances of its band at the games, pep rallies, and other school functions for the first time since 1973. Last year was spent breaking in the new band members for their first season. The 1979-80 Bishop Montgomery band, under the direction of **Mr. David Potter,** is presently preparing to perform in the 1981 Tournament of Roses Parade in Pasadena, California. They are raising money to buy uniforms by selling placemats, candles, candle holders, and other items. The instruments included in the band are: saxaphones (alto and tenor), flutes, clarinets, trombones, tubas, trumpets, and drums (bass, snare, and tenor). The student director for the 1979-80 band was **Rick Soriano.** The uniform officers were **Carla Long, Esperanza Salbach, Ish Medrano,** and **Marjorie Kane.** The discipline officers were **Karen Diaz, Marcellus Kane,** and **Ish Medrano.** The librarian was **Karen Diaz,** who was assisted by **Lisa Gutierrez.**

7 The band added their own enthusiasm to the pep rallies.

The second celebration was the Feast of St. Francis, the joyous feast day of the Fransiscan Fathers. It was a very spiritual and touching experience.

On one special occasion the Seniors celebrated the Mass with class spirit, dressing in their class colors of red and white, and wearing hats.

Mass is a Eucharistic celebration, Eucharistic meaning thanks. The Mass was ultimately celebrated at our Thanksgiving Mass.

1. **Ray Yinger** brings sunshine to an eldery lady. 2. **Kelly Kelly Hart** gives a lesson in arts and crafts. 3. **Fiona McGinty** beside her special friend. 4. The same Social Action members who fasted and protested abortion.

Social Action is a religion class, which puts our religious education to work. It is a response to help those in need in whatever ways possible. Social Action sponsers our annual Easter and Thanksgiving food drives. This year to help world hunger, the class members went on a thirty day fast. Every year the Social Action members go to Tijuana to work with the impovershed people living at Los Ninos. With food donated by customers at markets, nutrition was provided to the hungry. At an orphanage they showed their love simply by holding a baby. In April they went on the "Amigo Marathon", walking 250 miles for ten days from Santa Barbara to Tijuana. In June they will go on a similar walk called the "Tortilla Marathon". At Arsel Arms or the halfway house in San Pedro for those suffering from emotional and mental problems resulting in their incapability to cope with society, social events are held. Blood drives are sponsored with the help of the Red Cross. Working with the Catholic Workers Soup Kitchen, food is served to the unfortunate people on skid row in L.A. In support of life, the Social Action members picketed an abortion clinic. Setting up and giving services needed, members help the handicapped in the Special Olympics. Brother Bob is the head of this class and it surely is an enthusiastic club.

1. **Debbie Ortega** gives a pep talk while **Mike Molina** takes notes. 2. Social Action members sing cheerfully at the Torrance Convalescent Home. 3. The Concordia Club is a service organization open to Catholic girls who are enthusiastic, have school spirit, and will be dependable when asked. The purpose of this club is to organize an on campus group of girls who pledge to give thought and action to maintaining school spirit, to promote democratic, friendly, and cooperative attitudes among students in all school activities, to promote desirable school conduct and traditions, and to represent Catholic youth in a manner that would make the Church proud.

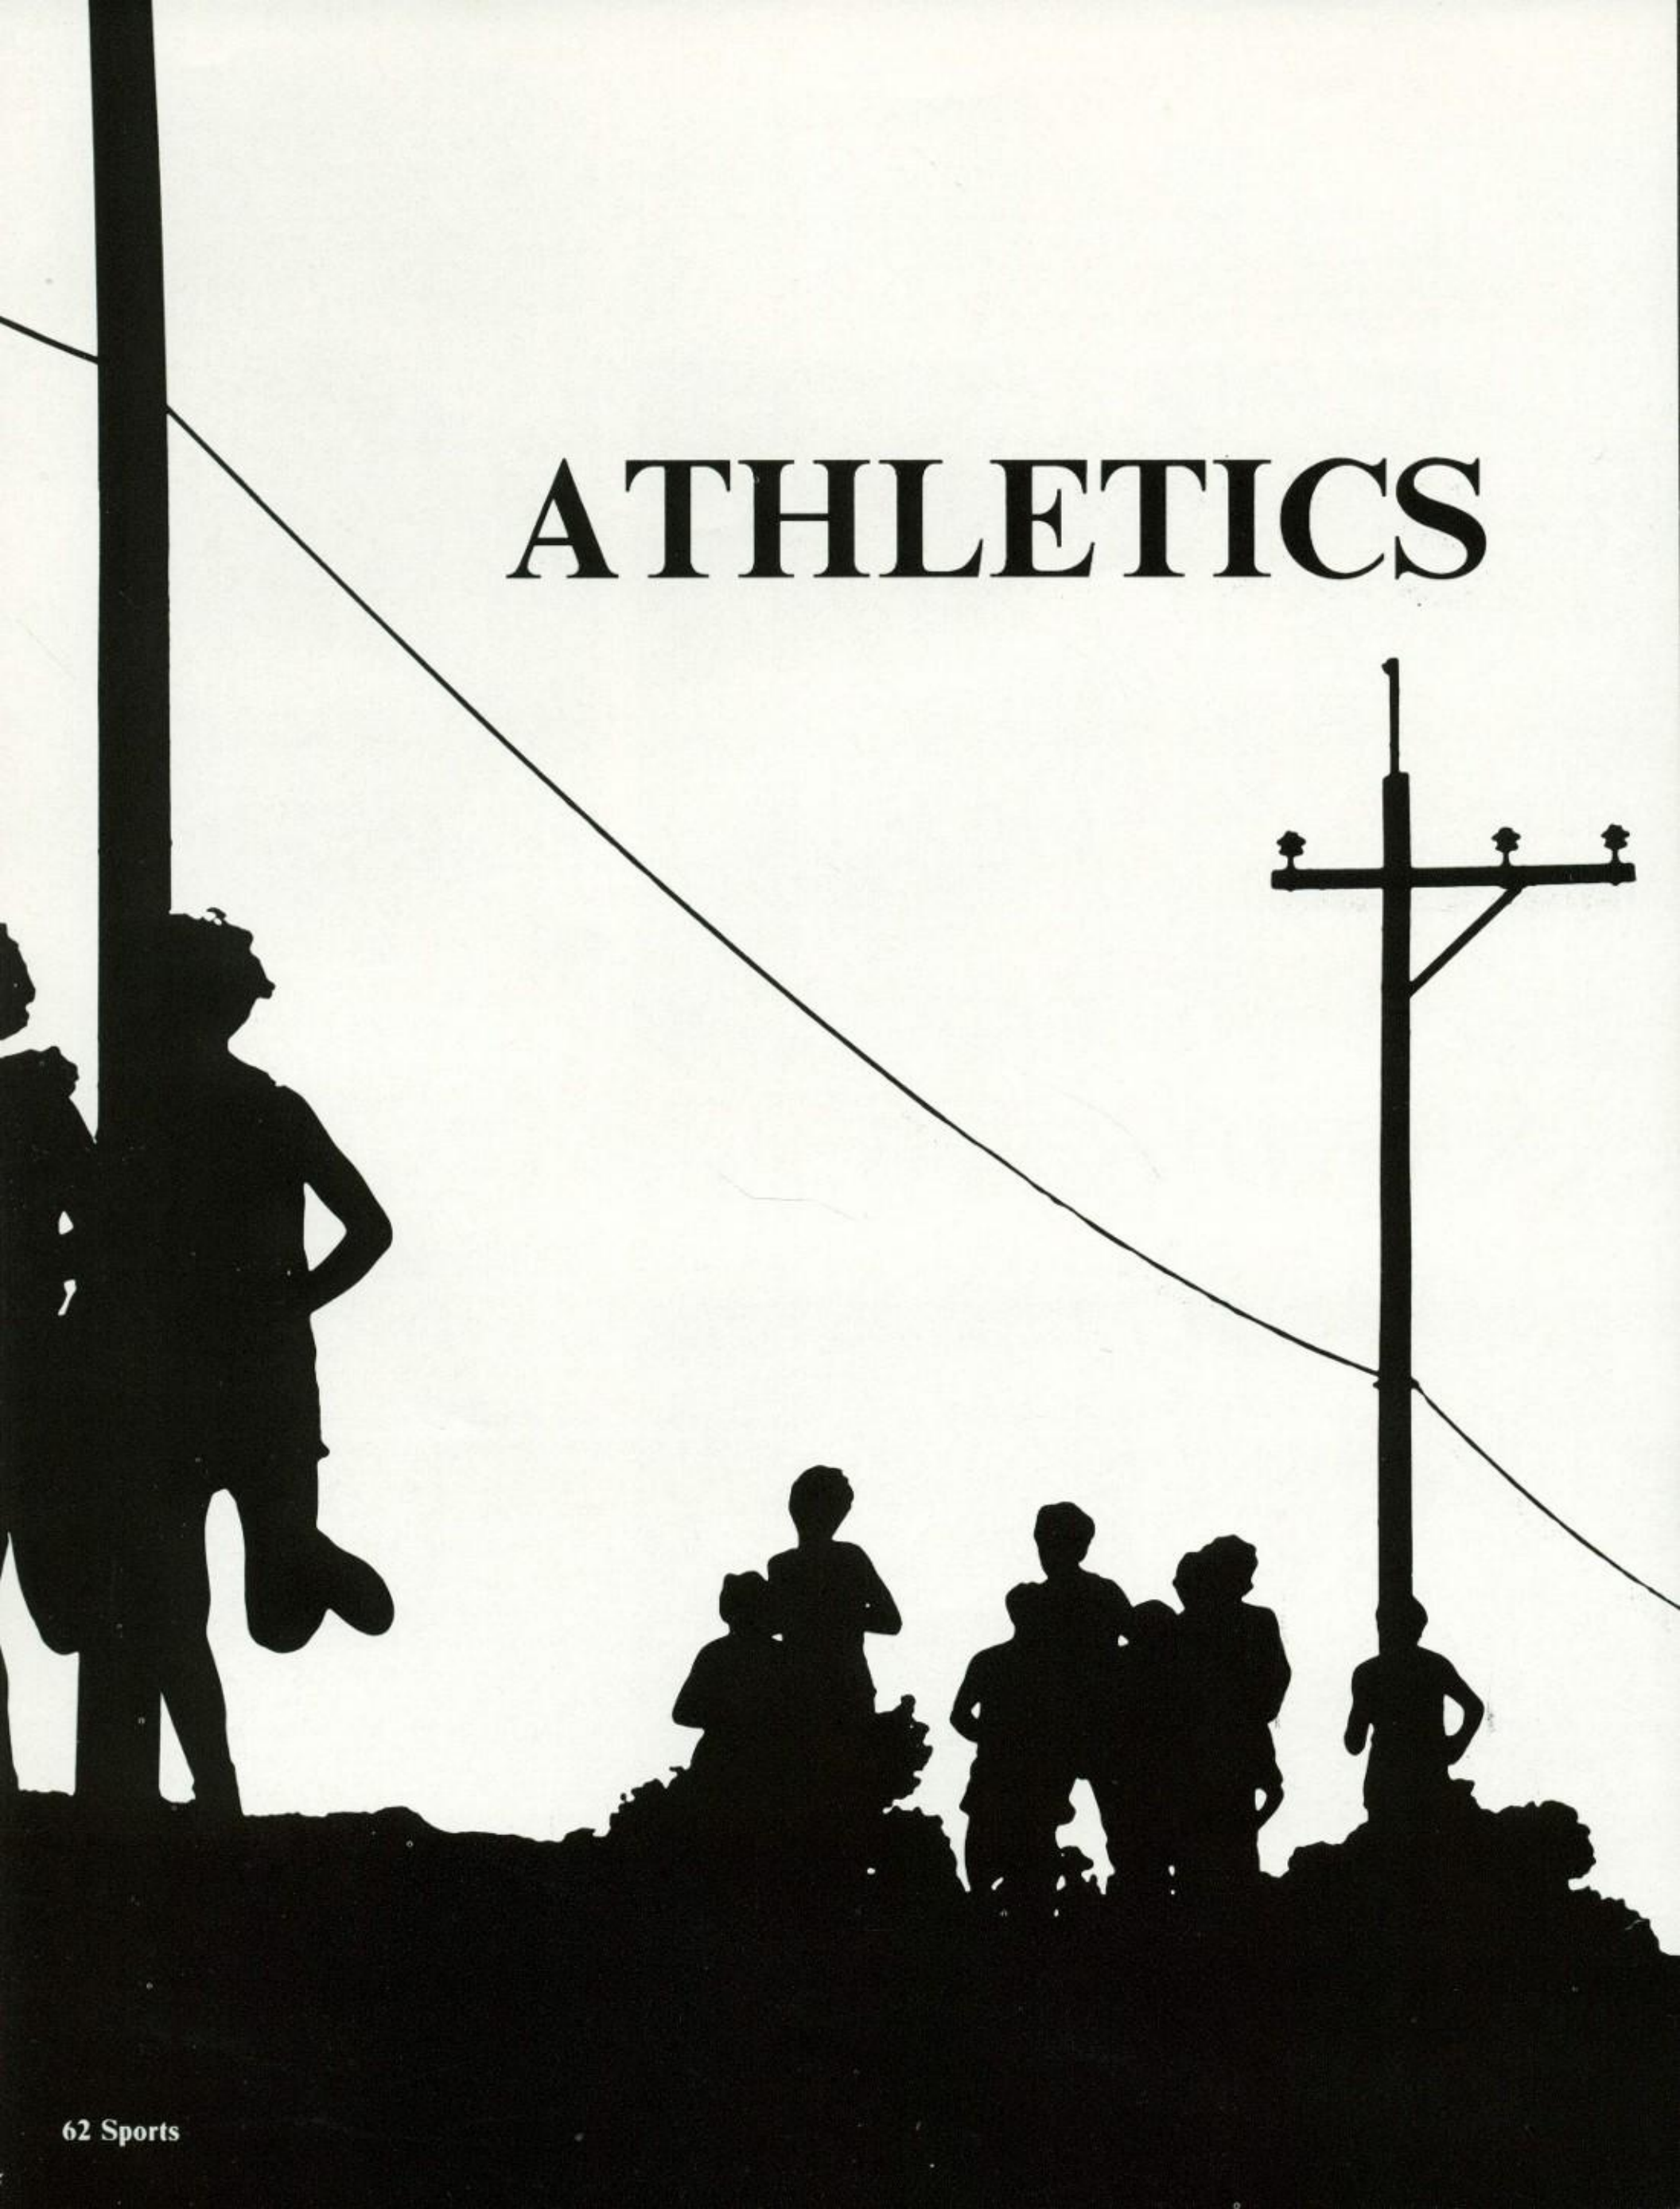
SENIOR RETREAT

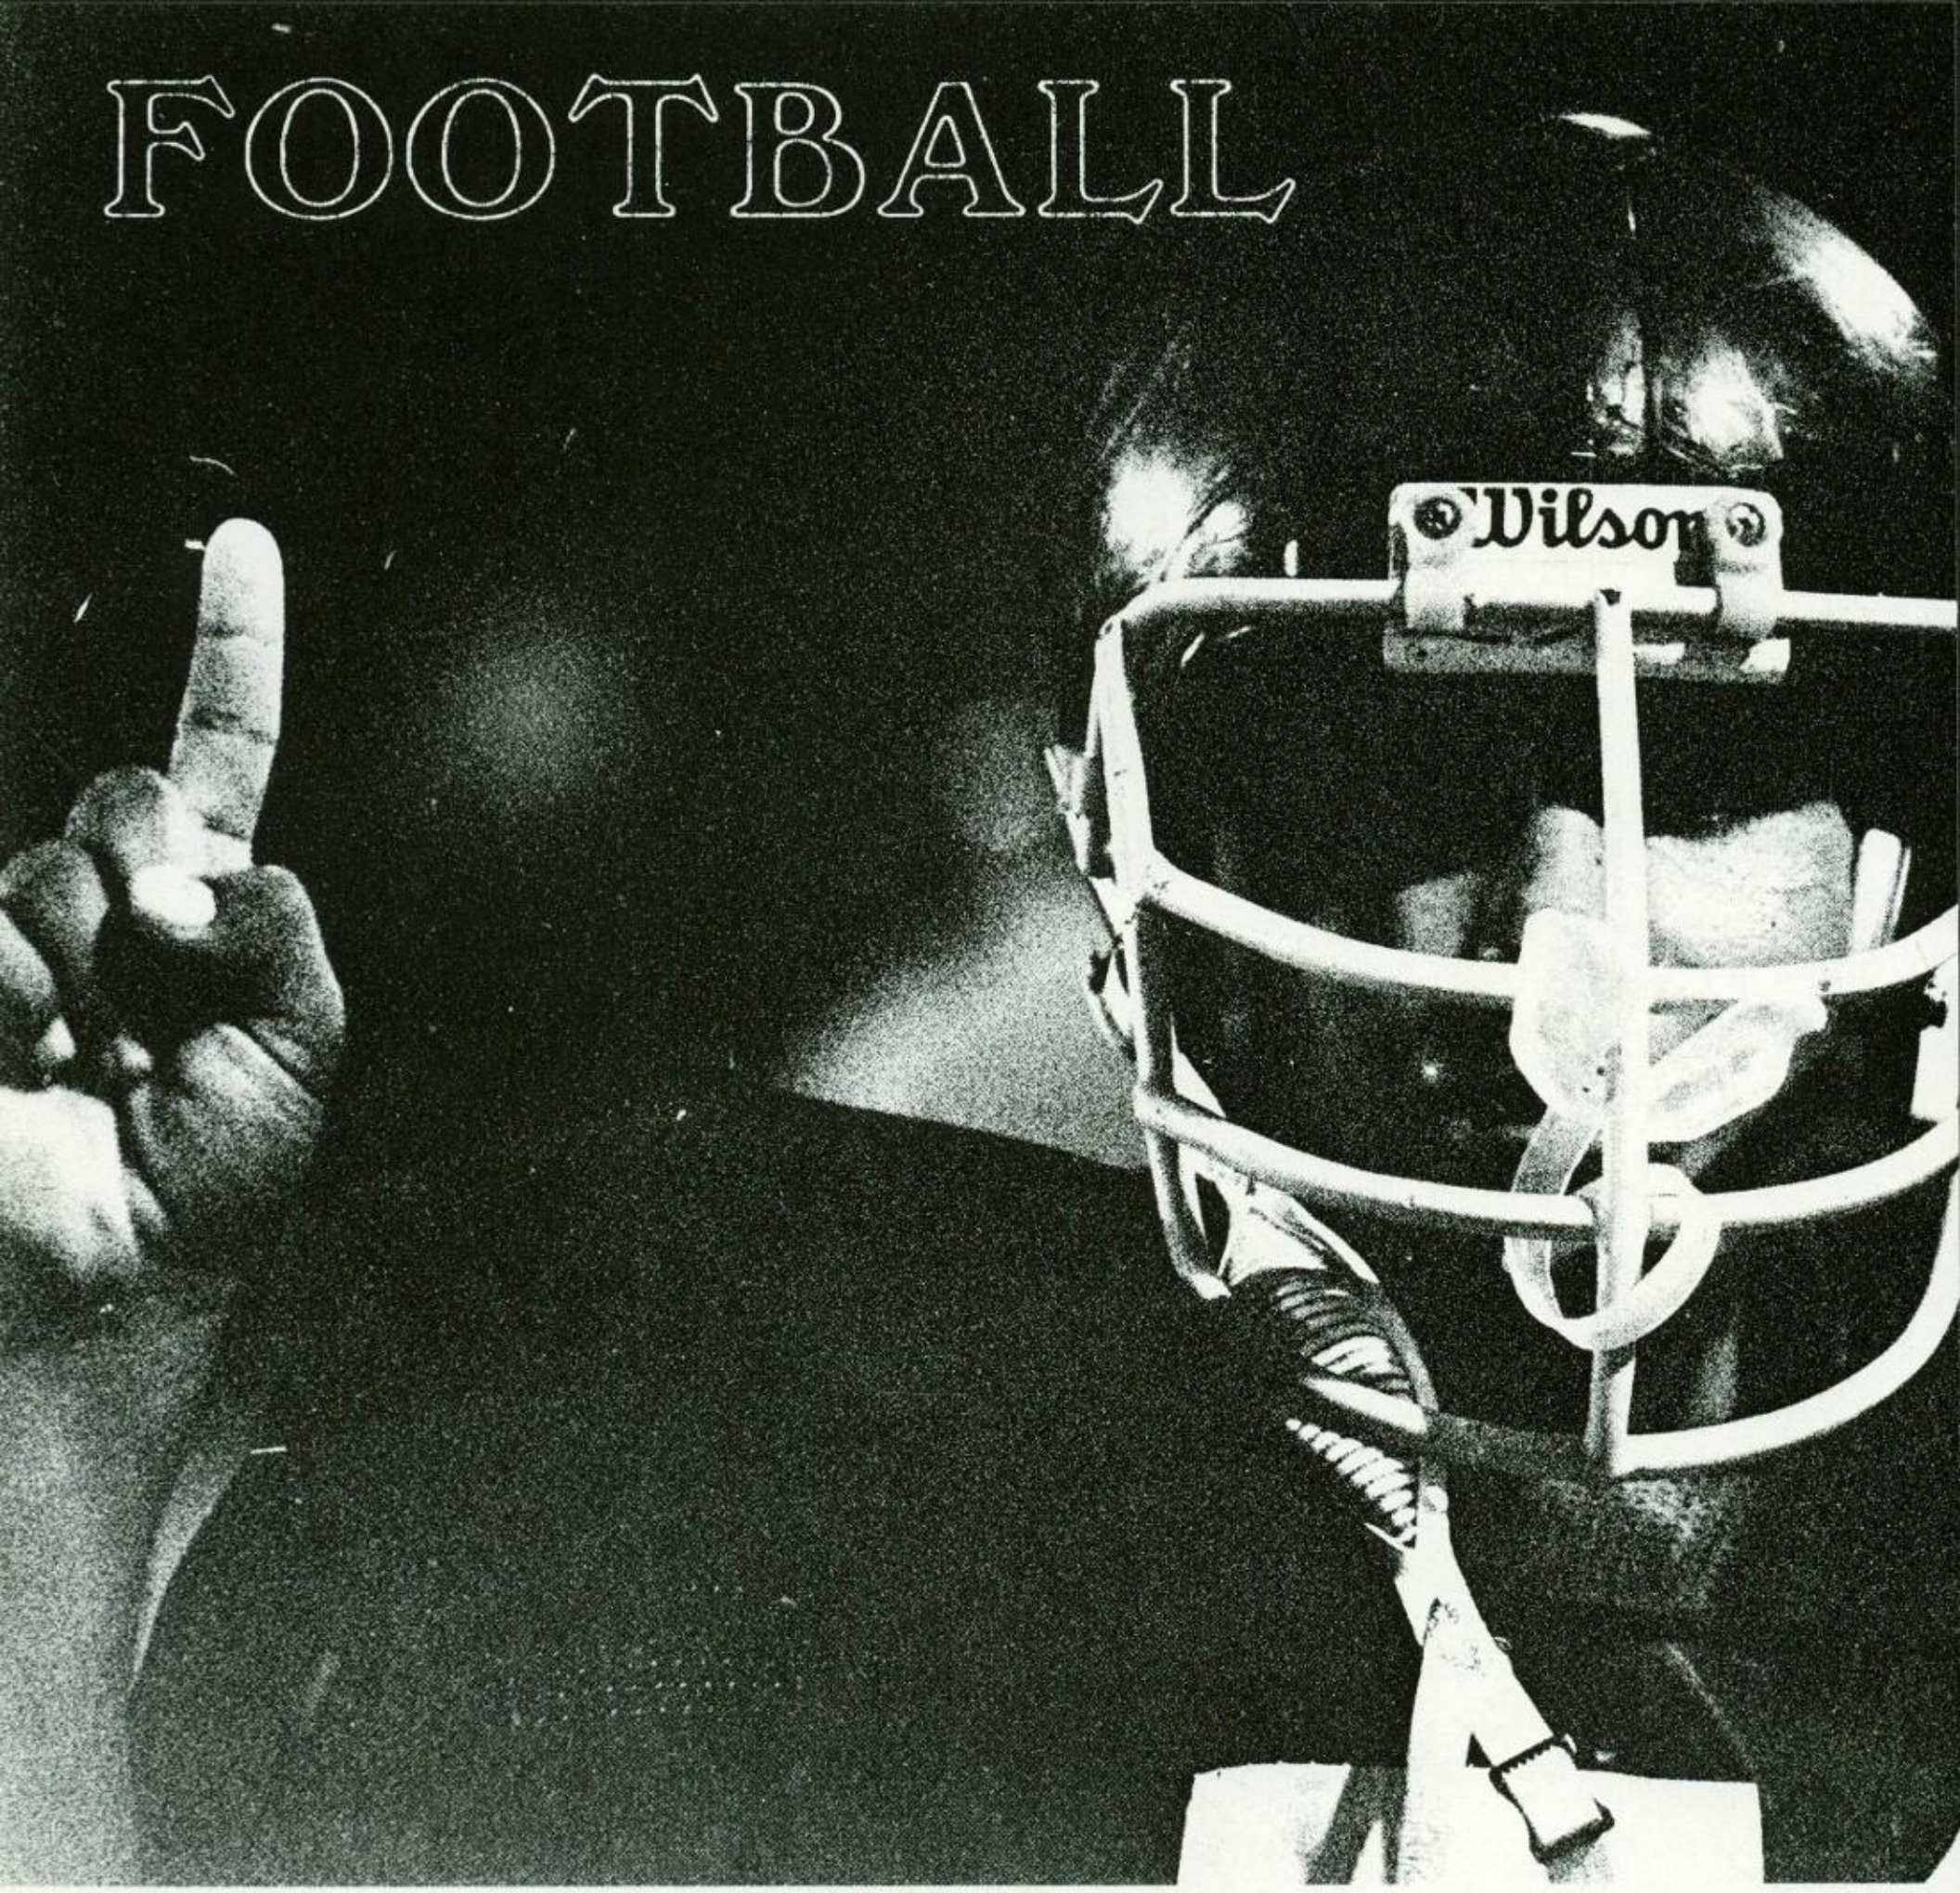
The Senior Retreat at Valleyremo was a rewarding three days for all who attended. The students and the members of the retreat team all learned a great deal from each other. It was a time for listening – to your friends, to yourself, but most of all to God. Activities consisted of group discussions, prayer exercises, and self-reflection. The atmosphere was scenic and quiet – a definite plus for a vacation away from the everyday school grind. The retreat ended with a beautiful Mass out in the landscape of the desert. All seniors who went had diverse opinions on the retreat, but all enjoyed it and it was certainly highly recommended.

ATHLETICS



SPORTS

FOOTBALL



1979 was a year the varsity football team can be proud of. They opened their season with a stunning 29-3 victory over the Redondo Seahawks. The defense shut Redondo down, forcing turnovers which gave the offense many scoring opportunities. The North Torrance game was sweet revenge for Montgomery. Remembering the 1978, 13-10 heartbreaker, the Knights walked all over the Saxons 35-3, as fullback, Steve Abram ran wild. The Knights' best games, ironically, were losses by identical scores. Top ranked CIF teams, Mater Dei and St. Paul, both came to Knight Stadium on successive Friday nights and both limped home, thanking their lucky stars for victories in games Montgomery dominated.

No team in Montgomery history has worked harder than this year's varsity football team. They lifted weights, ran, polished their skills since early February, resulting in a team small in size, but very strong.

The stand-out on this year's football team was senior, Steve Abram. He achieved All-League honors both as fullback and linebacker. Quarterback, Jim Miller, led the offense, and keyed the passing attack, throwing to Lance Taylor, Tony Castillo, and Kevin Bateman. Both Miller and Taylor were selected second team All-League. Lineman, Kent Taylor, and defensive back, Tom Baaden were also selected first team All-League. Other prominent figures were third year varsity lineman, Tom McOsker, defensive end, Joe Pueliu, defensive back, Rob Petroni, center, John Mellis, and running back, Terrell Woods.

SOPHOMORE FOOTBALL

The Junior Varsity Football team took off like a rocket this year. Their first game was against the Redondo Seahawks, who they shut out at 20-0. This just tuned them up for Lennox. The JV's beat them with a score of 40-0. The prominent figure in this game was the full back, **Sal Leal,** who ran over, under, and around the Lennox defense. Next, the Knights lost to St. Bernard's with a score of 13-14, when a two point conversion came up short.

The following game was a hard fought struggle when Bishop Montgomery and North Torrance both played stingy and hard-nosed in their defense. In the final minutes of the game, quarterback, **Darren Bebe,** uncorked a 69 yard bomb to **Alfred von Kanel,** who raced into the end-zone with the winning touchdown. Next, the Knights' tough defense shut out Palos Verdes with a score of 9-0. Linebackers, **Bob Wagner** and **Rubin Solis** played exceptionally well. This game closed out the pre-season with Montgomery setting a spectacular record of 4-1 against area teams. The Angeles schedule was harder, though, as the Knight's did not win another game. This record does not accurately reflect the hard work and determination shown by the team.

The offensive leader this year was quarterback, **Darren Bebe,** with his exceptional running and crisp passing. **Sal Leal,** the back for the Knights, was relied on for both extensive yardage and the "big play". Other prominent players were lineman, **Rick Casanave,** and defensive backs, **Mike Delhomme** and **Steve Trudnowski.** The inspirational leader of the team was linebacker, **Bob Wagner.**

2. Knights Stadium.

The 1979 Frosh Football team finished with a 5-6 record. Their captains were **Dave Schaeffer, Carlos Vasquez,** and **Marin Mendez.**

When the team needed a big play, everyone looked for one man to make it, starting tight-end and line-backer, **Dave Schaeffer.** His one hand grab of **Mike Payan's** pass for the winning touchdown against Palos Verdes, is just one example of the outstanding performances given all year long.

The entire team was a hard working group of fine young men. You can expect big things from these Knights in the future.

VARSITY VOLLEYBALL

The Girl's Varsity Volleyball team kept up its winning tradition this year, placing second in league play and qualifying for CIF playoffs. After crushing Mary Star in the first round, the team progressed to the second round versus Corona Del Mar. Here the girls played competively, but it wasn't enough to overcome the defending champions.

The teamwork and winning season was mainly due to first year head-coach **Collen Mc Faul,** whose spirit, hard work and dedication sent the team through their successful season.

The key to their success was all-around good playing by each team member. A powerfull offense was displayed with **Teresa Trevino** and **Dani Carr** setting the plays for hitters such as **Patty Gindro, Ruth Desert** and **Maria Cafaro.** Defense was also an important factor with many plays saved by **Sue Mc Mahon, Michelle Smith** and **Jackie Romero.** Junior **Eileen Dempster,** outstanding middle hitter, was selected to All-Angelus first team, as well as to the All-Star team at the Marlborough Tournament.

Seniors **Sue English,** hitter and **Margaret Grove,** setter/hitter were both chosen as second team All-League players for their outstanding performances. **Ann Skelley** kept up the team spirit after a shoulder injury in the early season.

JUNIOR VARSITY VOLLEYBALL

ANGELES LEAGUE CHAMPS

The Junior Varsity Volleyball team had their usual fine season, finishing with a nine and one record. They were League Champions in the tough Angelus League. The team was led by hitters, **Nancy Banken, Terri Liegey, Trisha Hanley,** and **Anita Rodriguez,** who provided a great deal of offensive fire power. They in turn owed much success to setters, **Jeanine Juge, Loreen Trevino,** and **Laura Hammerele,** who placed the ball perfectly. **Diane Cafaro** scored many points with her rocket serves. **Nancy Banken,** a fine all-around player, was named to the All-Tournament team at the West Torrance High School Tournament. Their coach, **Carolyn Quijano,** is very proud of all of the girls. They worked very hard and she really enjoyed coaching them. The rest of the team, **Anna Castillo, Jane Durto, Diane Marzanna, Paggy Meyer, Lynn Mountain,** and **Sue Reynolds** were great cheerleaders for the team and gave tremendous support.

GIRLS' TENNIS

The 1979 Girl's Tennis Team showed a great amount of enthusiasm and potential throughout their season. Though the season was not as successful as they wished, it did not diminish the spirit and excitement of the sport. To the girls, just being able to play in the league for the school was a great experience. For the coach, **Mrs. Sanchez,** the season was rough. She brought the team along and gave the girls alot of moral support and enthusiasm throughout the season. Some outstanding singles players were **Sheila Inhen, Ann Marie Augustine,** and **Silvia Duran.** The outstanding doubles players were **Cathy Ramos, Lynn Marzan, Linda Behenna,** and **Elizabeth Fujio.**

Coach Bill Staengal's harriers were very successful this year. Despite the fact they were very young, they still managed a third place finish in league. The team posted a 4-3 record overall, including victories over tough West, St. Paul, and Servite teams. **Alex San Miguel,** a senior, and **George Cable,** a junior, paced the varsity. **Steve Trelease** and **Larry Linenan** also made outstanding contributions.

The Junior Varsity team posted a 3-3 record, 2-3 in league. They were led by **Gerard Villareal.** The team showed a lot of promise as next year's varsity team.

The girl's team was the best in Bishop Montgomery history. Led by **Donna Mantong** and **Yvette Rice,** they finished third in league behind two powerhouses, Mater Dei and Bishop Amat. The team did reach the CIF semi-finals. **Mary Kay Freeman** and **Sue Wendorff** also contributed a lot of talent to the team.

VARSITY BASKETBALL

The 1979-80 Varsity Basketball team had a very frustrating year. First-year coach **Steve Korte** along with his assistant **Greg Sabosky** tried many combinations in an effort to find the answers. The Knight's 6-17 record could have been much improved however. Many losses were just by a couple of points. The Knight's played some outstanding games, notably a 57-51 league win over PiusX before a screaming home crowd, and a 40-37 upset win over Hart in the Beverly Hills Tournament.

Players contributing much to the team included forward **Ron Hayes,** who singlehandedly kept Montgomery close in many early season games. Junior center **John Coughlin** who really came on strong late in the season, and sophomore **Dwayne McAdoo** who shot extremely well from the outside.

Other contributors included returning lettermen **Greg Gomez,** an outstanding ballhandler, **Tom Hardesty,** who played foreward and guard, and **Mike Mondello,** the only member returning for his third season on the Varsity squad who unfortinately suffered a serious ankle injury. Also appearing at guard were Rob Hernandez, instrumental in the Pius win; and senior **Ray Waters. Matt Gierat** also had some excellent games at foreward, as did **Mario Marquez** and **Steve Regalado.** Seniors **Bennie Lagos, Jon Mostero, Al Reyes, Greg Cook** and **Dave Porter** also came through when called on. We must also remember team manager **Greg Benkendorfer** who gave loyal assistance to the team at all times and kept their spirits high.

All in all, the 1979-80 season was a great learning experience for the team, and a year to be proud of for the members and their coach **Steve Korte** whose innovative coaching techniques really helped the team.

JV's Turn In Perfect Second Half

The J.V. team was made made up of fourteen very determined and well coached players. The team played very well together. There were a few tall players, including 6'3" **Ron Spears** who controlled the boards with the help of 6'4" **Steve Murphy,** 6'2" **Steve Van Ingen** and 6' **Mike Rumsey.** The offense was led by Sophomores **Marcos Munoz** and high scoring Sophomore **Mike Ulnek,** who took all-tourney in the Serra Tournament, and also by Eddie Medel, who, in the beginning of the season, contributed very much. The rest of the players did not get much playing time, but when used, they did a fantastic job.

The highest-scoring games of the season were beating Mater Dei at home and the game which was played against Servite away, in which the J.V.'s beat them by 20 points, in this game everyone got to play and this was a great way to end the season.

As a result, many members of the team have received offers from major colleges. The team was led by co-captains **Roland Schmid** and **Tim Moore. The Junior Varsity Soccer team were the champs of the Angelus League. The team was undefeated and unscored upon in league play this year. In the past four years, the BMHS junior varsity has dominated their various leagues. Their overall record is 43-1-1. They are expecting an excellent team next year. These players now are truly an asset to the soccer program.

GIRLS SOCCER

The Girls' Soccer Team had one of the best seasons the school has ever seen. With only losing one game to Redondo and tieing another with Rolling Hills, they had an almost undefeated record. The team's coach, **Ms. Karen Cardinez** led the girls to an 8-1-1 season, with superstars like **DeeDee Warner** blocking goals and **Mia Melon** and **Sonia** scoring most of Bishop's points.

The toughest game for the team was probably against Redondo where the girls went into overtime but pulled out a 1-0 victory. Some advice for the competing schools next year is that we have an excellent team, so be prepared!

VARSITY BASKETBALL

This years Varsity Basketball team showed dramatic improvement in the second round of league playoffs defeating the second place team Bishop Amat 47 to 38. The team defense and shooting percentages improved overall especially for **Maria Cafaro, Sharon Medina** and **Jolene Gregory.**

Maria Cafaro, a Junior, averaged 10.4 points per game and completed 51% of her free throws. Her highest scoring game consisted of 19 points overall. She was also picked for second team all league and should be a great asset to the team in the 1980-81 season.

Sharon Medina also chosen for second team all league averaged 9.5 points per game with her highest scoring game of 21 points. She scored 44% of her free throws and averaged eight assists per game along with **Maria Cafaro** who is always a threat under the basket. **Sharon** was also voted most valuable player for the 1979-80 season.

Jolene Gregory averaged 11.3 points per game and was a threat under the basket this year. She also had good rebounding.

Michelle Smith a wing and a guard was responsible for several steals this season and will be a strong player for the 1980-81 season. **Linda Husar** a very aggressive guard and a big threat on defense was a great player with good passing ability.

First year coach **Terry Mason** did an extremely fine job of uniting this years team in many winning combinations of play. She felt the most improved players were **Maria Cafaro** and **Cathy Aki.** The most inspirational was **Patti Aki.** This was with no doubt a tough and talented team.

The team was made up primarily of freshmen who hadn't yet experienced high school basketball. They had a lot to learn in a short time. A junior, **Donna Bozulich,** having more experience and knowledge, helped the team progress throughout the year. This was a key factor in the progression of the team. The team's inexperience lasted but a short time because they worked hard. As the year progressed the games became closer and closer. After their game against St. Paul things began to go in their favor. They pulled out two victories, one against Pius X and the other over Bishop Amat. **Diane Cafaro** and **Karen Costello** contributed a majority of the points throughout the season. Considering the team had no practice games before the season which hurt their performance, they finally put it all together. Another factor against them was that they had no gym time and they had to practice outside. The team was led by first year coach **Carol Stellino** who, with the help of **Donna Bozulich,** taught the team a great deal. With better practicing conditions and this season's experience the team should be really sharp next season.

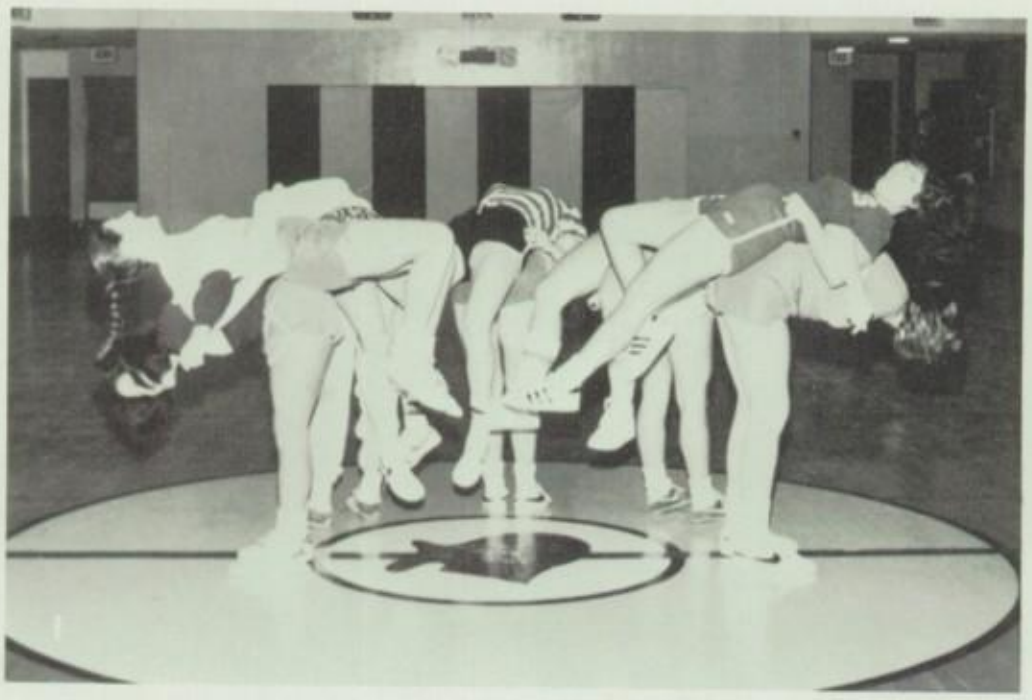
PHYSICAL EDUCATION



The Bishop Montgomery Physical Education Department was a major part of the curriculum this year. With a combination of spacious, well-heated, and brightly lit locker rooms, and the many fields and courts, everyone enjoyed P.E. this year. Each day one of the many instructors would toss the black-and-gold-clad students a ball or two and turn them loose. Such fun the kids would have, bouncing a flat rubber ball through rain, mud, gopher holes, and the occasional patch of quicksand. And after all this fun was over, they would still have a minute-and-a-half to shower, dress, recuperate and bandage their wounds before their next class.

1. Gymnastics is a favorite of girls P.E.
2. A friendly game of Basketball.
3. Frosh boys get ready to hit the field.
4. Football is an often played game in boys P.E.
5. Ready to hit the showers after an hour on the Athletic Field.

COUNSELING

Helping the students with their problems when they desperately need those schedules changes, aiding them with their college plans to make sure everything is just right, and a friend when they need one are our B.M.H.S. counselors. The Seniors have Ms. Decho, the Juniors have Mrs. Herman, the Sophs have Ms. Rockwood and Mrs. Martinez Payne, and the Frosh have Ms. Schweisthal. They're part of the team and B.M.H.S. is proud to have them.

BUSINESS

The Business Department of Bishop Montgomery has a two-fold purpose in preparing its students. First, we seek to install ethical values that are presently avoided in today's business world. We also hope to prepare our students for some of the everyday business procedures.

It is the hope of the Business Department that the students who leave Montgomery will improve in economic citizenship, understand the human dignity of all workers, and apply Christian ethics to business problems.

SENIORS

1. Moderators: **Mrs. Schweisthal, Mr. Stavang,** and **Ms. Dechow.**

Senior year has definitely been an exciting and fulfilling one. The fund raiser this year was selling bagels, which really did well. The mother-daughter tea was a real success. It was a beautiful day filled with delicious refreshments and great conversation.

The seniors, known for their lack of spirit, really involved themselves in spirit week. The theme of their float was "A Knight on the Town," a unanimously favorite pastime. All showed up on class color day donned in red and white and smiles. They were welcomed by a splendid array of artwork done the night before, namely toilet paper and banners. Names of the most prominent or those who got there first, decorated the ice plant of the school that morning. The senior Mass was colorful and touching, led by a class favorite, Father Kidney. All joined in prayer for themselves and each other. To top it all off, the class prided themselves at the end of the week by winning the Spirit Trophy.

The senior retreat at Valleyremo was definitely a rewarding experience for all who attended. The students learned to love God and each other a bit more. The scenery was beautiful and the atmosphere quite relaxing.

Senior year has definitely been a time of intellectual and spiritual growth, of appreciating one's friends and teachers, of trying to make application deadlines for college, and making memories that last a lifetime.

Juniors

The class of 1981 is definitely one Bishop Montgomery can be proud of. They have achieved a lot during the 1979-80 school year. They combine two years of experience, with spirit and enthusiasm. They won the Homecoming float contest with ease. Their float, themed "That Golden Knight" was a great accomplishment and showed a lot of work.

The Junior class had able, hard-working officers. Leading the class was President **Debbie Brown,** assisted by **Sue Finn.** The secretary was **Vicki Applewhite.** The treasurer was **Lisa Fraser.** The homeroom Representative was **Joe Gordon,** along with **Jeanne Costello** as Publicity Coordinator. These fine officers were guided by moderators **Mrs. Murphy, Mrs. Miller,** and **Mr. Staengel.** All in all, 1980 was a very sucessful year for the Junior class of 1981.

The class of 1982 are now Sophomores. For them it is their second time around. The Sophomores now have more confidence and are more involved in extra curricula activities. This class is a spirited one and they were anxious to show their enthusiasm during Spirit Week as they participated in the egg toss. Another activity that expressed involvement was the selling of Class of 82' t-shirts. When it comes to working the sophs pursue their studies knowing that they are reaching the halfway point in their high school years.

FRESHMEN 1983

Sept. 10, 1979 was the first full day of school for the 1979-80 year. The students come back and see their friends from last year. This year there was a new class, over 400 strong. It is the freshmen class of 1983. The excited Frosh took on a big step from grammar school to high school. The Freshmen class has adjusted very well to the change and have made many new friends.

The Freshmen class elected the leaders of their class for the first time. Their president was **Lani Pueliu,** assisted by her vice pres. **Gabriel Capdivila.** The secretary of the class **Dani Mc Osker** who worked together with **Lisa Zabel** as treasurer. Their publicity coordinator was **Lynn Mountain** along with **Paula Hay** as homeroom coordinator. These officers did a good job of organizing such events as their spirit week activities and their freshmen float, which was very good and took second place.

Bishop Montgomery is happy to have the new Freshmen class of 1983 as a part of the Montgomery Family.

1. Freshman moderators: **Mr. Kersten** and **Miss Greaney.**
2. Class officers: **Dani McOsker,** Secretary; **Lisa Zabel,** Treasurer; **Lani Pueliu,** President; **Gabriel Capdevila,** Vice President; **Lynn Mountain,** Publicity Coordinator.

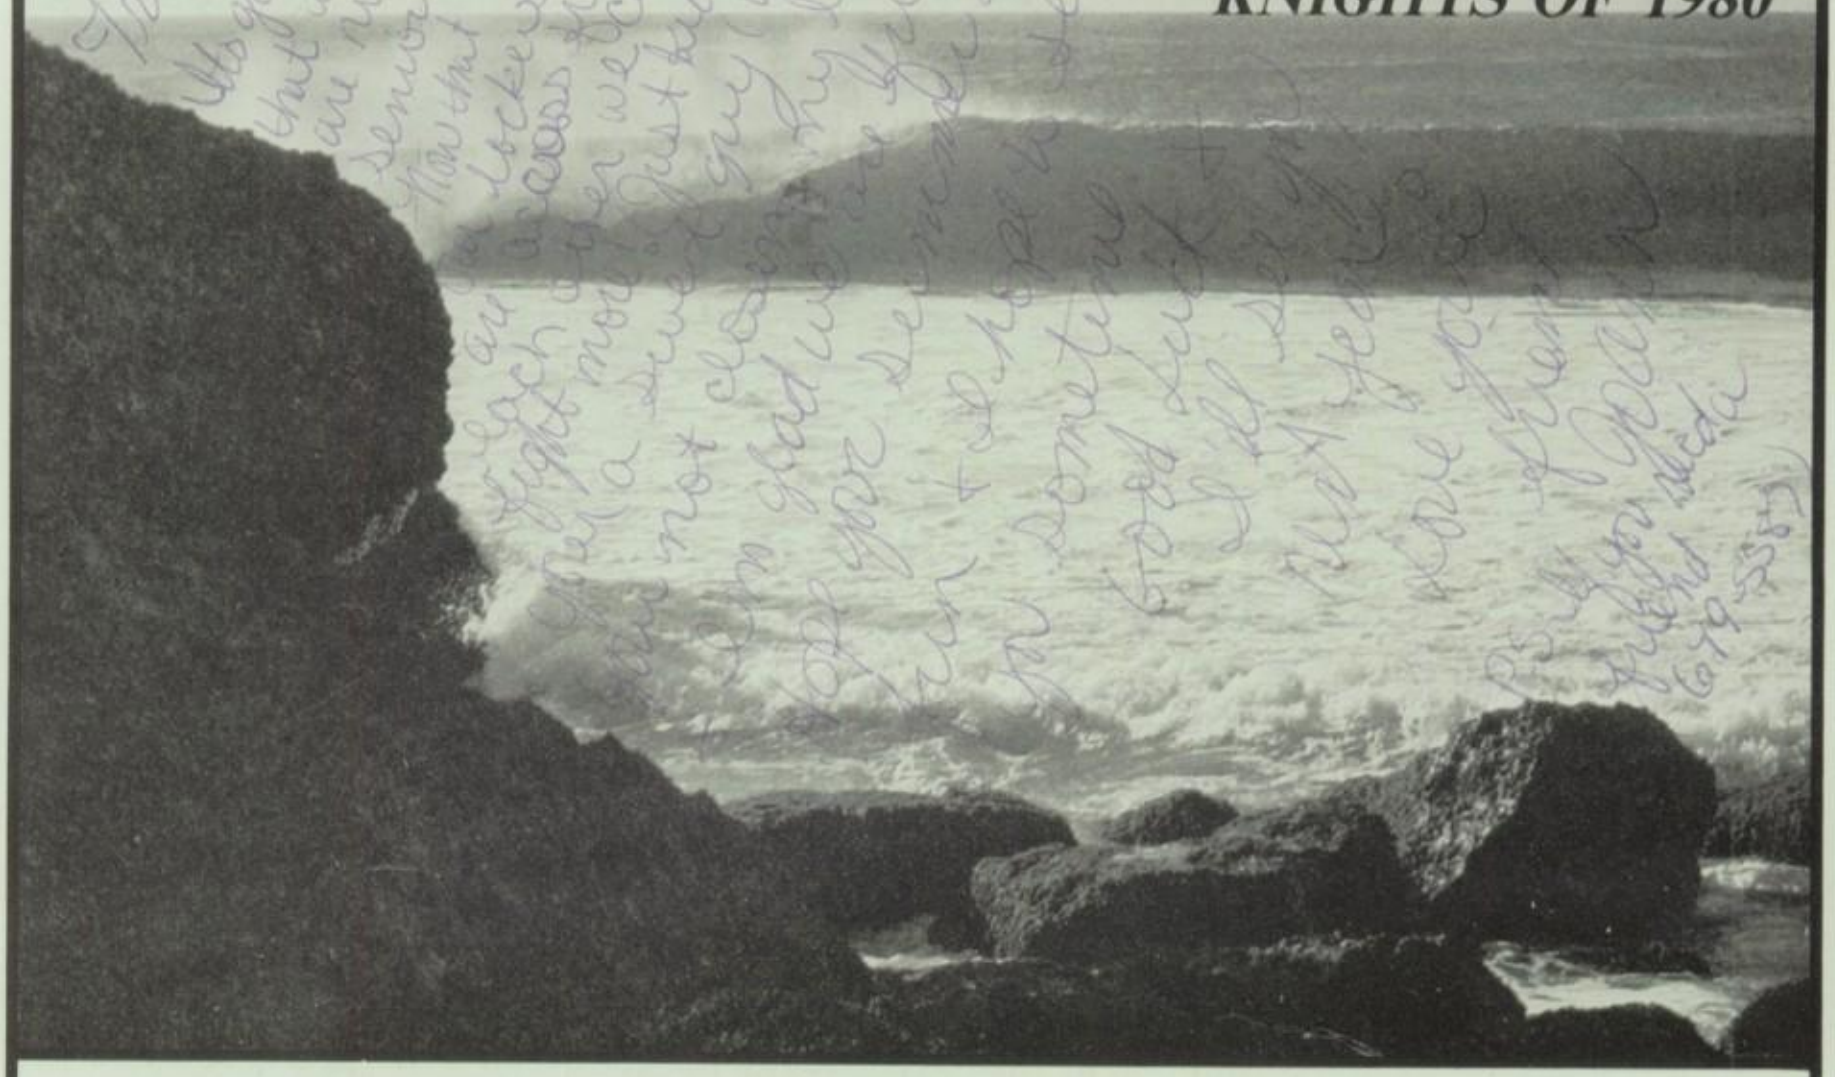
FIRST SEMESTER YEARBOOK

SECOND SEMESTER YEARBOOK

SO LONG TO THOSE CALIFORNIA DAYS AND KNIGHTS OF 1980



There's a world you're living in
No one else has your part
All god's children in the wind
Take it in and blow hard

Look around you- Has it found you walking down the avenue?
See what it brings- Could be good things in the air for you.

We are leaving. We are gone.
Come with us to all alone.
Never worry. Never moan.
We will leave you all alone.

In the mountains, in the cities, you can see the dream.
Look around you, Has it found you? Is it what it seems?

Theres a world you're living in
No one else has your past.
All gods children in the wind
Take it and blow hard.

NEIL YOUNG
